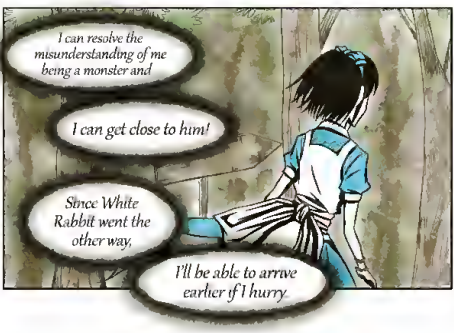
Because no... I've looked for my gloves...
But, I didn't see anything like gloves there.
MISTY RAIN
Right! Let's go to Mary Ann!
It's Ann, she'll definitely give me nice gloves!
Smile
Is Ann a nice person?
.....
Should I ask Ann for help...?
Here, I prepared it.
Whoa!! Gloves!!
I'll be able to quickly go to Queen-san thanks to you!!
Thank you! Ferret no-...
Hmm... Since I have no clue, such a nice person is a ferret... Incredible!
No, Alice!

Alright!!
Let's go to Ann!!



I can resolve the misunderstanding of me being a monster and
I can get close to him!
Since White Rabbit went the other way,
I'll be able to arrive earlier if I hurry.

Frrrr

What do you mean why? Nothing happens if a young person like me eats them, but...
To weddings like you, it'll become a poison.
That's true, but
are you done with the plowing?
Ah, right!
Arrr, there's something wound in the field!!
In the field...?
MISTY ROAN

CF

"Mary Ann" was what "Maids" were called as in England of that time.

Carroll's friend, Mrs Julia Cameron, has brought a fifteen or sixteen year old maid actually named as Mary Ann. Also, "Mary Ann Paragon" appearing in Dickens' novel, [David Catterfield], appears as a lazy maid.

In [Alice in Wonderland], White Rabbit actually mistake's Alice as Mary Ann and yells at her to bring the gloves, and the real Mary Ann never really appears. However, it may be indicating how Alice and Mary Ann are very similar in appearance.
